

### AGRICULTURAL AND TRACTOR SERIES

Agricultural and Tractor Series Quick Couplings are used in many agricultural fields. Male nipples of RX Series are hardened by heat treatment.

*Male nipples are interchangeable with all female couplers.*

**MFSK / 320 Bar  
Hose Kit with Single Quick Coupling**

**MFDK / 320 Bar  
M.F. Hose Kit with Double Quick Coupling**

**Important Note:**

To avoid cracking of the quick coupler, only use fittings with BSP thread on male and female parts of coupler. NPT thread will damage your coupler because of the heat treatment of the individual parts.
